NEWS OF THE DAY.

The English Mail of the 28th October was delivered in London on the 25th Nov.

Conditions of licence to store 30 gallons of petrol for the use of motor cars in the ground floor and backyard of a domestic building are published in the Gazette.

Mr. Harris, who attempted to break the world's record of 64 hours in roller skating at the Victoria Skating Rink, gave up on Sunday morning after having completed 52 hours.

The Gazette publishes a despatch from the Secretary of State enclosing an Order-in-Council making provision under the Merchant Shipping Act for the apprehension of seamen deserters from Japanese merchant ships.

At the Magistrate's this morning before Mr E. M. Haselwood two men were sentenced to twelve months' imprisonment each with hard labour for returning from banishment.

Peter Peterson appeared before Mr O. Dick Melbourne, at the Magistrate's this morning on a charge of obtaining a passport from Shanghai by means of false pretences and the case was remanded.

Wong Toi Chai appeared before Mr E. A. Irving, at the Magistrate's today, on a charge of forgery, and the case was remanded. Defendant was arrested this morning on a consular warrant from Shanghai on arrival of the S. S. Tamsui.

It is notified in the Gazette for general information that in selecting from applicants for clerkships in the Hongkong Civil Service a preference will be given to those candidates who have obtained certificates in the Oxford Local Examinations.

Last week there were 12 cases of communicable disease in the Colony, seven of which (6 Chinese and one Japanese) were of small-pox, four of which ended fatally. The other occurrences were three more fatal cases of enteric (one Chinese, one Australian and one Indian, the two former imported), one fatal case of puerperal fever (Chinese) and one non-fatal occurrence of diphtheria (Portuguese).

Captain G. W. Gordon, Northumberland Fusiliers, has retired from the Army. As a subaltern of the West Yorkshire Regiment he served with the Chinese Regiment of Infantry in the China Expedition, 1900 (medal). Lieut. Gordon when in Hongkong took leave and walked from the province of Kwangtung into French Indo-China. He married Miss Simon, daughter of the late Maj. F. Simon, C. M. G., P. C. M. O., Straits Settlements.

HONGKONG WIRELESS
MESSAGE PERMITS.

A Notification from the Colonial Secretary's Department is issued in the Hongkong Government Gazette in the following terms: "It is hereby notified that permits will be issued to Steamship Companies in this Colony permitting their vessels while in Hongkong waters to land wireless messages subject to the condition that such permit will be at once cancelled if the Naval Silence Sign is not promptly obeyed. This sign will only be made when it is of importance for H. M. Ships to get messages through without interruption, and there, after the 'message complete' sign will be made and commercial messages can be again continued."

LATEST NAVAL NEWS.

Torpedo Boat Goes Ashore.

Torpedo Boat O-38, while proceeding on the night of the 23rd inst. from Canton to Rooming to re-enforce the patrol in the Delta Channels, grounded at the mouth of the Sai Wan Channel near Tiger Island; assistance was sent from Hongkong and the torpedo boat got afloat on Friday and proceeded for her destination.

With a view to preventing pirates on the West River, all the smaller craft available in Hongkong have augmented the force in the West River.

H. M. S. Rosario is at Canton and the gunboats, destroyers and torpedo boats are systematically patrolling the various branches of the river.

ROBBERY AND PILLAGE.

(From Our Own Correspondent.)

Wuchow, West River, Nov. 25. We had another scare here this afternoon. It was reported that hundreds of robbers were sweeping down upon us along the left bank of the West River. Large numbers of people immediately fled from their homes to the hills and appeared quite terror-stricken. The city gates were again closed and there was great commotion everywhere.

It seems that a band of robbers entered a village just above Wuchow, and of course the people fled in another direction. Everybody is in a highly excited and nervous condition.

We hear that Kwai Ping and Ping Nam are in the hands of robbers.

Little business has been done in Wuchow for the last three days.

We shall be glad when things become more settled but it is feared that we shall be very disturbed here for a long time to come.

In view of the increasing unrest in Wuchow and in the surrounding districts, and the general insecurity prevailing on the river on account of pirates, the British Consul here has advised that all ladies and children leave Wuchow as soon as possible. Other ladies are leaving the interior and are due to arrive shortly.

There have been several pillages the last few days. Two motor boats from Kowloon are over due, causing some anxiety.

MORE TROUBLE IN MEXICO.

A BATTLE FOUGHT.

LONDON, Nov. 27.

Reuter's New York correspondent wires that a battle has taken place at Santa Ana, Mexico, between 800 followers of Zapata and 450 Federal troops. The former were defeated and 62 killed.

THE WAR.

FIERCE FIGHTING.

(Reuter's Service to the China Mail.)

LONDON, Nov. 27.

Reuter's Rome correspondent states that official despatches show that there was fierce fighting on Friday both in Tripoli and at Derna.

The Italians own to 50 casualties, including a dozen killed at Derna, where they fought all day.

MORE ROWDYISM IN THE COLONY.

Military Parade the Streets.

There was more rowdyism in the Colony on Sunday and in consequence the military were called out and they paraded the streets in company both in Victoria and Yau-mat. The men had their bayonets fixed and it is understood that each man was supplied with sixty rounds of ball cartridge. It was a demonstration which is calculated to convince the rebel hordes which have been causing trouble in Hongkong of late, that stern measures are being adopted to put down lawlessness.

The first disturbance occurred near the Government Civil Hospital when a Jukong endeavoured to disperse a crowd which had gathered for some purpose or other. The Jukong called assistance by sounding his whistle and Constable Pattison responded but as soon as the crowd saw a European it was an incentive for some of the more unruly members to throw stones, which they did. Happily no injury was caused to anyone. P. O. Pattison eventually arrested four of the ringleaders and at the Magistrate's this morning, Mr E. A. Irving imposed a fine of \$5 or seven days' each on two defendants; seven days' without the option of a fine on the third and a youth, who was caught throwing stones, was sentenced to receive eight strokes of the birch and 48 hours' detention.

Another Chinaman for throwing stones at P. C. Atwell near the Central Market was fined \$25.

By far the worst trouble happened at Yau-mat where a great gang of ruffians, separated into two parties, paraded the streets. As soon as they came across a Chinaman who still retains his queue they were determined to cut it off. He expressed willingness to comply with their wishes to the nearest barber where they saw that it is done. Should anyone refuse one of the gang gets his head under his arm and holds it there while another holds the queue and a third severs it from the head with a pair of well sharpened Chinese scissors amidst the hilarity of the onlookers. These gangs have grown bolder and bolder and they actually had the audacity to attempt the sort of thing right in front of the police station. However, Sergeant Brown interfered and arrested one man, who appeared to be the ringleader.

At the Magistrate's this morning Mr E. A. Irving imposed a fine of \$5 or 14 days' imprisonment for disorderly conduct and one month's imprisonment with hard labour for assault.

BOXING.

Great interest is being taken in the forthcoming contest between Jackson Blackmore, Australia, and seaman Grant, of H. M. S. Flora. This match should draw a second record house as Grant is the heavy weight champion of the Fleet and Blackmore has had two fights since he arrived and won them. He is confident of beating Grant so a good contest is assured. There are four capital bouts to be decided besides the main event. The boxing is at Moutrie.

THE LIVERPOOL CALAMITY.

TERRIBLE SCENES.

CAUSE OF THE EXPLOSION.

(Reuter's Service to the China Mail.)

LONDON, Nov. 25.

Liverpool telegrams report that 25 dead bodies have been recovered. More bodies are being removed from the cellars. Most of them cannot be identified. The injured number 115.

When the Fire Brigade arrived at the scene of the Liverpool oil mill explosion men were seen at the windows with the fire raging behind them. There were numerous miraculous escapes and the firemen showed amazing skill.

The cause of the explosion is attributed to an oil-cake crushing machine called "The devil." It is thought that a piece of metal became jammed.

The processions of wounded are still going towards the hospitals while the dead bodies are being conveyed to the Princess Dock Mortuary where the relatives are identifying them.

LONDON, Nov. 25.

CAUSE FOR ALARM.

[That hacking cough may appear to be of no consequence, but you may be certain that it indicates some damage of the pulmonary system. This fact in itself is enough to cause alarm. Do not wait until it causes you annoyance, it may too late then, but get rid of it now. HEAVY FIGHTING AT HANKOW.

LONDON, Nov. 27th.
Reuter's Peking correspondent wires that Consul's advice from Hankow received on the 23rd indicates that there has been heavy fighting for 36 hours and that it still continues.
The Imperialists made an attempt to cross the Han River but were repulsed with heavy loss.

NANKING BOMBARDED.

Reuter's Nanking correspondent states that the Revolutionaries began bombarding the city yesterday morning, and it is reported that the Imperialists have already lost heavily.

CHANG'S STIPULATIONS FOR SURRENDER.

(*Wah Tsz Yat Po's Service.*)
SHANGHAI, Nov. 26th.
In answer to the request of the Shanghai military government to surrender, General Chang, the Imperialist leader, at Nanking, has made the four stipulations that the Emperor Tann Tung be the recognised Emperor of China; that the revolutionist flag shall give way to the dragon flag of China; that the duties held by the Revolutionaries shall come under the new administration and that no rebels will be permitted in the empire.

THE POSITION OF NANKING.

SHANGHAI, Nov. 27th.
The Revolutionist soldiers at Mok Fu hills fired on Lion Hill where the soldiers belonging to General Chang are stationed. Revolutionist gunboats and cruisers also opened fire on the North Pole hill, near Nanking, while the houses in the neighbourhood have been set on fire.
It is momentarily expected that Nanking will fall into the hands of the Revolutionists and more.
General Chang's soldiers have also fired on the Red Cross Society.
The rebels have captured Tai Ching Man.

JAPANESE LEGATION FORCE.

(*Independent News Agency's Service to the China Mail.*)
Tokyo, Nov. 27th.
Since the evacuation in 1908 the Japanese troops stationed in Peking have been small in number, so much so that it is impossible to secure the safety of the Japanese residents there.
As various Powers are in view of threatening trouble in the capital, increasing their forces, Japan has decided to despatch 700 more men.

FAMINE IN RUSSIA.

(*Reuter's Service to the China Mail.*)
London, November 26th.
St. Petersburg telegrams state that the horrors of the famine of 1891 are recurring at Orenburg, in the Turgai province. The famine stricken people are flocking into the town, asking for the administration of the last communion.
The crops at Orenburg are 36 per cent below the average this year. The Bishop of Cheliabinsk is proceeding to the assistance of the starving people.
An extraordinary feature of the famine is that the medical and charitable societies have been prohibited from aiding the stricken people.

COLLIERY EXPLOSION IN STAFFORDSHIRE.

(*Reuter's Service to the China Mail.*)
London, November 26th.
An explosion has occurred at the Jamnage Colliery in Staffordshire. Six persons were killed and five injured.

WOMEN'S SUFFRAGE.

(*Reuter's Service to the China Mail.*)
London, November 26th.
Mr. Lloyd-George, speaking at Bath, referred to the frequent suffragette interruptions, and said that the vast majority of women deplored the exhibition of temper, which was more anti-liberal than pro-suffrage. There was nothing the interrupters would hate more than to see an amendment inserted in the Government franchise bill conferring broad democratic franchise on women. He pleaded eloquently that women should share the administration of the law. When women were voters, there would be no danger of Europe being drenched with blood. He further dwelt on the success of the female franchise in the colonies.
Speaking on the Insurance Bill, he said that when he triumphed, the people would never trust his administrators again. The bill was merely a contribution to social reform, and nothing was possible until the land system was recast.

LONDON, Nov. 27th.

Messrs Vernon and Smyth in their weekly

share report, dated November 24th,

state—

Business during the past week has

been dull, almost to the point of stagna-

tion; but at the close there is more enqui-

ry for investment account at low rates, and

a little more animation may be looked for

in the near future. Rubbers continue fea-

tureless with no material change in London,

and no business of importance locally to

report. Fine Hand Para Rubber closes in

London at 4 3/4 per lb. quick. The Bank of

England rate of discount remains unchang-

ed at 4 per cent; the open market rate is

quoted at 3 5/8 per cent, and Bar Silver

at 28 1/8 per oz. Sterling T.T. closed

1/10 3/16, and Shanghai T.T. at 75 1/2.

quiet with probable sellers at 87 1/2. The

London quotation last to hand per

at 88 1/4 rounded under forced selling to 88 3/4

the week with sales at 24 and buyers at the

close. Transoms after advancing to 64 1/2

(middle price) have declined to 58 1/2, which

is the closing quotation from London by

wire to-day.

Docks, Wharves and Godowns.—Hong-

kong and Whampoa Docks have been booked

at 4 1/4, and a few more shares could pro-

bably be placed. Kowloon wharves are

wanted at 4 1/4 but at 4 1/4 shares are pro-

curable. New Wharves Docks are still in

request at 50. Shanghai Docks are quiet
